CHAIRMAN'S REPORT

1. INTRODUCTION:

It is my pleasure to report on the activities of the Club during the financial year which ended on 31 March 2018.

Once again, the Club experienced a very good year. We are constantly making our best endeavours to satisfy all requests for holiday bookings and I am pleased to announce that we have again purchased additional accommodation at some of our top resorts in the country.

2. ANNUAL FINANCIAL STATEMENTS:

I am pleased to report that our Auditors have again given us a favourable report. Our total assets (which comprise mostly of Timeshare Stock) are valued at R214 million. The operating profit in the current year amounts to R4.7 million.

Members will have access to the Annual Financial Statements at the Annual General Meeting and on the Club's website.

All members are encouraged to continually update their contact details, particularly their email addresses and cell phone numbers, so that the Club may regularly communicate with you, especially for special offers and discounted holidays.

3. VALUATION OF STOCK:

During the course of the year, our Auditors did a complete evaluation of our stock in terms of market value and as at 31 March 2018, the value of our inventories amounts to R196 162 181.00. The Club owns stock (weeks) in almost 100 resorts nationally and we are constantly on the lookout to increase our portfolio at the popular resorts.

4. HOLIDAY BOOKINGS:

Although the levies payable by our members are the best in comparison to all other Holiday Clubs, we still come across instances whereby some members find it unaffordable to go on holiday.

On our advice, many of our members (who do not have school going children) are now booking their holidays during the off season and they benefit from the reduced levies.

We are also investigating the opening of a savings account whereby our members may deposit money into this account on a monthly basis and which will then be used as payment or part payment for their annual holiday. More information in this regard will be provided soon.

Our Reservations office is outsourced to Club Leisure Group which also has Flexi Club in its stable. We urge our members to make their bookings early so as to avoid disappointment.

In view of the popularity of the Club and the volume of bookings for holidays, the Club is now open 53 weeks in advance for bookings. The previous booking period of 1 September and 1 December will no longer be applicable. Members are encouraged to plan their holidays timeously and to take advantage of the facility to book one year ahead.

Furthermore, Flexi Club regularly offer "Bonus Breaks" to their members and they sometimes also offer these to our own Club members. The "Bonus Breaks" is considered a special offer to Flexi Club members who normally pay a much higher fee for their holidays. As Off Beat Holiday Club is a non-profit Club, the holiday fee paid by our members is lower than the "Bonus Breaks" offer. Flexi Club has been requested not to offer "Bonus Breaks" to our members in future, and our members are requested not to accept these offers as they will be paying much more for that holiday.

5. **MANAGEMENT OF THE CLUB AND STAFF COMPLEMENT:**

During the accounting period the following members served on the Committee of the Club:

WH Steyn (Chairperson)

TA Mashigo

SJ Hankins

BH Matloko

D Boucher

G Pillay (CEO)

Gen Pillay is assisted by a small team of dedicated staff who manage the administration of the Club. Our external auditors are Gregory, Butt & Marx.

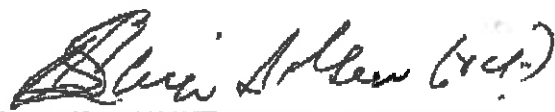

I would also like to take this opportunity to express my gratitude and appreciation for the support and dedication which I have received from my fellow Committee members, the CEO and the staff of the Club.

6. **CONCLUSION:**

My best wishes accompany each and every member of our Club and I assure you that the Club will continue to render the excellent service to our members as in the past.

May you and your family have a long association with your Club.

Signed at Pretoria on this 5th day of July 2018.
